All members of Maryland Wing music, especially members of Civil Air Patrol are invited to come out the Wing Conference and learn more about the wonderful organization of which we are a part.

THANK YOU -- CAPTAIN MCBRIDE!

Captain Wayne McBride, USN, will be leaving the Washington, D.C. area soon to accept another posting. Capt. McBride has been a long-time friend and supporter of the Maryland Wing Band and Civil Air Patrol music. Through his efforts, the National Naval Medical Center has hosted two National Military Music Academy joint concerts with the NNMC band and a performance at the Mormon temple in Kensington. Cadets and senior members of Civil Air Patrol alike are grateful for the NNMC's hospitality and for the honor of performing at the NNMC. Captain McBride has performed with the Maryland Wing band at many events. He traveled with us all the way to Lewes, Delaware for a Memorial Day concert in 1999. He was among the seniors and cadets who performed for Korean War veterans this July at Arlington National Cemetery. His courtesy, cheerfulness, and diligent support of our efforts will be missed very much. The Maryland Wing Band and the National Military Music Academy salute Captain McBride and offer him our heartfelt thanks and best wishes.
